

# Summer Reading Calendar

Dear Caregivers,

This summer Worldreader is offering a library of books for your family to enjoy. Each book comes with 3 easy to complete activities to extend learning that can be done in less than 10 minutes. It's as easy as 1-2-3!

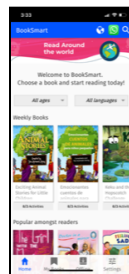

## 1. Grab your device

## 2. Scan the QR code

## 3. Read!

In addition to the fun you'll have while reading with your child, consider developing a list of ways to celebrate every 5 days of reading. You can find a few ideas below.

- Take a walk and allow your child to select the route
- Go to the library to pick out new books
- Watch a movie at home and allow your child to select the movie
- Pick out a free day pass from the library to a local attraction
- Let your child select their favorite meal for lunch or dinner

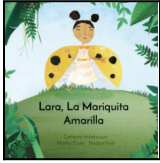

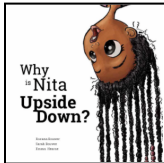

Worldreader is always looking for ways to showcase its readers and would love to feature you and your family in our monthly newsletter. Sign a release form in **English or Spanish** and send it along with a picture of your family reading a BookSmart book to [Lisa@Worldreader.org](mailto:Lisa@Worldreader.org).

Click the book cover to begin reading in English or Spanish.

5 books a week for 12 weeks.

Have fun reading!
